Some are ready for action, others seem reticent and shy. NOTE:

Federal law (H.R. 1388, Sec. 1614) and the Child Protection Background Act (299C.60-64) require organizations whose employees work with children to complete a background check on those employees, including state and federal criminal history check and a search of the predatory offender database.

Your employment is contingent on passing a criminal background check. Permission must be provided by the employee on the two provided forms.

Please submit this application and a cover letter-email to contact@adventuresincardboard.com. If you have a resume you can attach that as well.

And THANK YOU for applying to work with AiC! A staff person will try and reach you within two weeks of your submitting a complete application.
